

UW School of Public Health

Listen. Think. Discuss.

Best Starts for Kids Campaign

The science behind child development
& the importance of investing in children

Monday Oct 12th, 7:00 - 8:30 pm

Northlake Unitarian Universalist Church
308 4th Ave S. in Kirkland
(2 blocks from the Kirkland Transit Center)

Hosted by the Northlake UU Social Justice Committee
in collaboration with Sound Alliance

Join us for informal conversation about child development and ways to support expectant mothers and young children. All ages welcome.

Center for
ecogenetics
& Environmental Health
