Library 220

(Event begins with procession from
Red Square into Odegaard Library)
<http://www.lib.washington.edu/ougl>
for directions

Each year thousands of workers are killed and millions more injured or diseased because of their jobs.

Please join us on Worker Memorial Day to honor those who have died in 2013 from a work-related injury or illness in King County. In 2013, 64 workers died from on-the-job injuries and illnesses in Washington State.

This special ceremony will also raise awareness about how we can strengthen our commitment to make jobs safer and save lives in Washington State.
