

PACIFIC NORTHWEST AGRICULTURAL SAFETY AND HEALTH CENTER

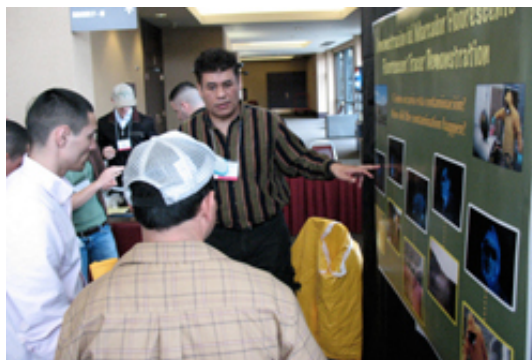

Research for healthy workers, strong communities, and productive agriculture

Upcoming Events 2016

It is time to register for this year's agricultural safety and health events. PNASH will be exhibiting and presenting - we look forward to seeing you!

FEBRUARY 24, AGRICULTURAL SAFETY DAY: PRODUCTION TO PROCESSING

Wenatchee Convention Center, Wenatchee,
WA

The 12th Annual Agriculture Safety Day is co-sponsored by the Department of Labor & Industries (L&I) and the [Governor's Industrial Safety and Health Advisory Board](#). The conference, with programs in English and Spanish, is designed for employers, supervisors, workers and safety and health professionals. Over 40 topics will be presented, such as livestock safety, ATV safety, youth and temporary workers, drift management, and [Process Safety Management for Ammonia](#) (a short-course sponsored by UW's NW Center for Occupational Safety and Health). Pesticide re-certification credits are available for some classes.

- **Pre-registration Deadline February 23, [Register Now](#) »**

FEBRUARY 24-26, WESTERN FORUM FOR MIGRANT AND COMMUNITY HEALTH

Portland Hilton, Portland, OR

The Western Forum, sponsored by the

**Northwest Regional Primary Care
Association**, brings together health

professionals from migrant and community

health centers and allied organizations for the purposes of education and training, information and resource sharing, coalition building, and program and policy development.

This year's conference features a research poster reception hosted the PNASH Center. You are invited to present your research and/or program activities relevant to health and healthcare for underserved populations.

- **January 13, Early-bird registration deadline, [Register Now »](#)**
- **January 29, Poster presentation deadline, [Poster session submission form »](#)**

MAY 22-25, NATIONAL FARMWORKER HEALTH CONFERENCE

Portland Marriott, Portland, OR

The Conference for Agricultural Worker Health is dedicated to the health and well-being of America's migratory and seasonal agricultural workers. Learn more about the campaign, Ag Worker Access 2020, what progress has been made, share effective strategies designed to reach this population and network with your colleagues who have dedicated their lives to serving America's migratory and seasonal agricultural population. [Read More »](#)

JUNE 26-30, INTERNATIONAL SOCIETY FOR AGRICULTURAL SAFETY AND HEALTH (ISASH) CONFERENCE

Hilton in Lexington, KY

Call to Post: Winning the Race for Agricultural Safety and Health

- **January 15, Oral and panel presentation deadline, [Call for Abstracts »](#)**

• **March 4, Poster and exhibit deadline, [Submission form](#) »**
