

Arline L. Bronzaft, Ph.D. Professor Emerita of the City University of New York, member of the Board of GrowNYC (appointed by five Mayors, non-paid position), consultant worldwide on impacts of noise on health. Research and writer on deleterious impacts of noise on mental and physical health—one of five co-authors of *Why Noise Matters* (Earthscan, 2011), author of the children's book *Listen to the Raindrops* (illustrated by Steven Parton), chapters in books and encyclopedias, and articles in academic journals and the popular press. Interviewed and quoted in the media, especially for her research on the impacts of transit noise on classroom learning.
